Pfeiffer 24 baskets (no other details but rarely had FTs)
 no details in Ada and incomplete details in Galion paper

#Or 19-32
 ##Or 37-17

9/13/16 ...

I made it up to the Galion Public Library this afternoon. On February 10, 1917, Galion thumped Ada 74-14. The story (no box score included) said, "Pfeifer was credited with 24 baskets"
 There was no mention of how many points he scored. I mean ... the guy scores 48 or 50 points and all it says is he was credited with 24 baskets.
 The night earlier ... a Friday ... Galion fell to somebody (I think it was Ashland) 41-33. There WAS a box score attached to that story.
 Sorry I couldn't be of more help, Andrew.
 Take care, good sir.

PFEIFER. Pfeifer captained the team and played forward. We feel that in losing "Wig" we are probably losing Galion's best basketball player. In the Ada game he broke the city record by shooting twenty-five baskets in thirty-eight minutes of play. He can pass as well as shoot and his opponents find him as slippery as an eel. If "Wig" breaks into college basketball Galion expects him to make a name for himself.
